Dear Sir! —

Can you give me any information as to whether the Dominion Government is going to assist returned soldiers to get a university education.

I shall be greatly obliged for any information you can give me.

Yours Sincerely,

Dear Mr. Cushnie:

I am sorry to say that I have not had any definite decision from the Dominion Government as to the assistance for returned men for which we have been asking now for many months. Last week in Ottawa I did not get any promise from the Premier in this respect, but we are still using our efforts though what will come of them I am not in a position to say.

Yours sincerely,

President.

Mr. John Cushnie,

Toronto.

Dear Sir:

In the absence of Sir Robert Falconer in Cleveland I am answering your letter. So far nothing has been decided upon by the Dominion Government in the way of aid for the education of returned soldiers. Sir Robert Falconer hopes to go to Ottawa during the next ten days to interview Sir Robert Borden upon the subject. The Universities of the Dominion are petitioning for the payment of fees and maintenance for returned men who wish to and are capable of taking a university course. If anything is done I shall let you know later.

Yours sincerely,

President's Secretary
